Professional Experience

Other damages work involves assessing damages levels as opposed to evaluating damages methodology. Dr. Walker's employment work has included statistical analysis of employment-related disparities, economic analysis in wage-hour cases and employment-related damages analysis.

Dr. Walker's clients have included corporations, government agencies, sports leagues, industry associations, unions and individuals. His case experience spans a variety of industries including but not limited to agriculture, sports, energy, financial services, education, healthcare, manufacturing, natural resources, professional services, real estate and transportation. Dr. Walker has been retained by plaintiffs and defendants alike. For example, on the plaintiff side, Dr. Walker worked for the U.S. Postal Service to estimate damages in its breach of contract and False Claims Act suit against Lance Armstrong.
